Testing Guide

These guidelines are what they NEED to pass the level. This is NOT a lesson plan. There are some skills on the report cards that are not listed here. Remember to use progressive style teaching when creating your lesson plan!

Youth

1) - Comfortable in water
- 5 Bobs with bubbles
- Front/Back Floats without assistance
- Front/Back Glides without assistance
- Rollovers without assistance

2) - Freestyle with 5 side breaths
- Backstroke; approximately 5 body lengths
- Elementary Backstroke; 5 lengths

(Must know rollovers)

3) - Side Breathing; 10 breaths/5 lengths
- Backstroke
- Breaststroke Kick
- Elementary Backstroke
- Dolphin Kick

(Must know rollovers)

4) - Freestyle; 25 yards WITH Open Turn
- Backstroke; 15 yards WITH Open Turn
- Elementary Backstroke; 15 yards
- Breaststroke; 15 yards
- Dolphin Kick with Freestyle Arms (for breaths)
- Scissor Kick

5) - Freestyle; 50 yards WITH Flip Turn
- Backstroke; 50 yards WITH Flip Turn
- Elementary Backstroke; 25 yards
- Breaststroke; 25 yards
- Butterfly; 25 yards

Preschool

1) - Comfortable in water
- 3 Bobs with bubbles
- Front/Back Floats with assistance
- Front/Back Glides and Kicks with assistance
- Rollovers with assistance

2) - Front/Back Floats without assistance
- Front Glide with rollovers; 3 body lengths
- Kicks on Back; 5 body lengths

3) - Side Breathing; 5 breaths/10 lengths
- Backstroke
- Breaststroke Kick
- Elementary Backstroke
- Dolphin Kick

(Must know rollovers)

Example of Progressive Teaching

Freestyle:

- Bubbles
- Face in water
- Bobs with Bubbles
- Floats
- Glides/Push offs
- Rollovers
- Kicks with Glides and a Rollover
- Arm circles and Kicks
- Side Breathing

The goal of progressive teaching is to go in a logical order for the students to learn. It builds from the smallest piece to eventually the entire stroke.
